About Us

We are passionate about providing wraparound care (breakfast and after school clubs) that offer a safe, enriching and nurturing environment for children. We strive to provide childcare that parents feel really happy with, safe in the knowledge that their child will be having fun, learning new skills and engaging in structured activities. And we pride ourselves in this childcare being really appealing to the children that attend – so they look forward to coming and spending time with us.

Our sessions are focussed and structured. Children join us at the beginning and the end of the school day where we start with a drink and a snack and a bit of downtime. This includes free play and free choice including activities like craft, lego, construction, reading, art, playing outside with friends. Then we run structured sessions and the children are split by age for these.

The sessions are run by sports specialists and performing arts specialists and include activities like: football, dodgeball, rounders, cricket, tag rugby, netball, drama, dance, yoga, singing etc. All activities have a specific focus on confidence building and team work.

We try to strike the perfect balance between free play and structured play – meaning that while all the children are having lots of fun – we're teaching them new skills.

We regularly consult with the children about what they would like to do and we plan our sessions to incorporate this feedback.

Testimonials:

We regularly ask parents how we're doing and if we can improve. Here is some of the feedback from our latest surveys:

'Rattle and Roll have transformed our wraparound provision at East Bridgford... Darcie, the manager, is an inspiration to the children.'

'My daughter actually cried when she realised it wasn't the day she was coming to your sessions. Thanks so much for making childcare so much fun and making me feel less guilty for working'.

'I think the wraparound care is good, and it has really improved too in terms of offer and staff engagement with children since Rattle and Roll took over'.

'Rattle and Roll holiday clubs and after school clubs are much preferred by my children to the previous provision'.

'The Rattle and Roll wraparound care has been fantastic and so much better than the previous wrap-around care'.

'It's very good. She loves the craft activities and film nights. She definitely prefers the sessions now there is structure to them and guided activities. All very positive'.

Breakfast Club

At our breakfast clubs we prepare the children for the school day, in a relaxed and engaging environment, with a balanced breakfast and lots of activities to get them ready for the day ahead.

We offer a broad range of choices in breakfast including bagels, croissants, malt loaf, fruit loaf, waffles, pancakes, toast, muffins, crumpets, fruit, yogurts, cereal and a range of juices, plus milk and water too. Children are guided to eat healthily, along with the encouragement to try new things.

We ensure a wide range of toys are available when they come in, to ensure they have fun whilst playing with existing and new friends.

Breakfast Club starts from 07:30am onwards and we will look after the children until school begins. We can accommodate different working patterns too so the children can arrive at anytime to suit you. We understand that things change and therefore we can take last minute on the day bookings as long as we have room (provided we are still within the required staff / child ratio).

After School Club

At the end of a busy school day we welcome children to our after school clubs for lots of fun. We strongly believe that afterschool club should not be a 'waiting room' for parents to collect their children and as such we send our highly qualified and experienced staff to deliver an engaging, enriching and exciting timetable of activities.

All our planning is done by fully qualified primary school teachers and ensures a continuation of provision from the school day, but in a relaxed and fun way. We offer sports, performing arts, craft and more to ensure the children can try new activities, enhance their skills and passions and build their confidence and social skills.

We always work with parents and children and regularly gain feedback regarding our content and sessions to ensure the children feel ownership of their afterschool club and also remain engaged, energised and excited about attending our sessions.

Holiday Clubs

Our Holiday Clubs are fun filled and action packed. Ofsted inspected us and rated our holiday clubs as **OUTSTANDING** in all areas. We will run on the school site so the children are familiar with their setting, and we use many of our wraparound staff for these holiday clubs too.

We work closely with Nottinghamshire County Council to access the Holiday Activity Fund and this means we can offer fully funded places to anyone in receipt of benefit related free school meals.

Our clubs are for children aged 3-11 (please note all children must be toilet trained in order to attend). We will be running in all school holidays and our day runs from 8am until 5pm (although you can drop off later and collect earlier if needed).

Each day is action packed and fun filled with lots of different activities. Activities include dance, yoga, drama, tag rugby, dodgeball, cricket, rounders, singing, crafts, art and much much more. Our clubs have a particular focus on team work, confidence building and wellbeing.

Young Leaders Programme – are you in Year 6?

The Young Leaders initiative is for children in Year 6 and upwards and runs as part of our holiday club provision. It offers a structured programme of achievement focused around the development of core skills such as leadership; initiative; and creativity. The programme gives children the opportunity to develop and enhance their skills as well as gain valuable work experience.

There are just 8 spaces on each club for our Young Leaders who will work through our bronze; silver and gold levels. On each day they will be involved in leading activities with small groups of children and be assigned a mentor as part of the programme.

Help towards childcare costs

We are Ofsted registered and accept all childcare vouchers (if we aren't signed up to yours then simply let us know and we will enrol for you). Most people have access to either help from tax credits or Childcare vouchers through their employer which can help you save from 25-70% of your total Childcare cost. If you are unsure, please ask, we work hard to ensure the clubs are affordable and encourage everyone to get any help they are entitled to make it as cost effective as possible for all families.
