

SOUTH WILFORD

Endowed C of E Primary School

Dear Parents / Carers,

A very warm welcome to our South Wilford Endowed Primary School family! We are delighted that your child has been allocated a place at our school for September 2025. Starting school is such an exciting time for your child and we are very much looking forward to meeting them.

We are a happy, caring school community and are very proud of our fantastic learning environment, Christian values, and the achievements of our children. We understand that your child is your most treasured possession and so our focus is on upholding their uniqueness, whilst ensuring that they are safe, happy, healthy and able to achieve their full potential.

We only have one school rule, to '*Be at Our Best*'! This permeates through everything: our relationships with others; our teaching and learning; our behaviour in and around school; and the effort and pride that we show in all we do. Our staff are enthusiastic, hard-working and friendly, and they are all dedicated to providing your child with creative, exciting and engaging learning opportunities that challenge them to *Be at Their Best*.

As a parent, you may have lots of questions at the moment, especially if this is your first experience of our school. We will be guiding you through the transition process over the coming months and making sure you have all the information you need. In order to help your child to feel secure and happy at the start of their school career, we have learnt from experience that a gradual transition enables them to successfully settle into their new routines and learning spaces.

We will be holding an information session for parents of new starters on **Wednesday 18th June at 4pm** to enable you to meet staff, see the classroom, find out more information about your child's learning and routines in school, and to order their uniform. If you are unable to join us for this session, we can provide you with a virtual presentation. The 'New Starters' section of our website <http://www.southwilford.nottingham.sch.uk/new-starters/> has further information and also some videos to introduce you and your child to our Early Years staff and classroom.
