

RE at South Wilford for SEND

To Spark the Flame and Light up the World.

We are here to be a light, bringing out the God colours in the world.

Collective worship

Children who do not attend collective worship take part in a **small group activity** to help develop their spirituality, their knowledge and **understanding of the world** and their **awareness of faith** within our school.

Visits and events

Children are supported by **additional adults** in attending church services and educational visits. **Parents** are also welcome to join us.

RE lessons

Lessons are adapted and children are **encouraged to respond** using their preferred methods. This may be through drawing, using signs and symbols, role playing or speaking **with a supporting adult**.

Intent	Implementation	Impact
For all children to have access to an enriching RE experience, regardless of their barriers to learning. This includes RE lessons as well as collective worship and religious visits.	Children with additional needs have support in class which enables them to access learning at their own level. This can include scaffolds, visuals, dual coding and targeted questioning.	All children with SEND are included in spiritual experiences and feel able to express their thoughts and feelings around faith. Children feel connected with our school vision and values.
