

PSHE Progression

SCARF Scheme of work

Spirituality:

Through PSHE, the children are given opportunities to explore and reflect on their values, beliefs, and sense of purpose. These lessons encourage self-awareness, empathy, and respect for others, which are key components of spiritual development and help them to flourish. By engaging with topics such as identity, relationships, emotional wellbeing, and ethical decision-making, children can begin to understand their place in the world and develop a deeper connection to themselves and the communities around them. PSHE provides a safe and inclusive space for children to ask meaningful questions, consider diverse perspectives, and cultivate a sense of wonder and appreciation for life.
