

SOUTH WILFORD

Endowed C of E Primary School

23rd February 2026

Dear Parents and Carers,

We are aware that many year groups have parent WhatsApp groups which are independently set up and managed by parents. While these groups are not organised, monitored, or controlled by the school, we would like to offer some guidance to help ensure they remain positive and supportive spaces for everyone.

Parent WhatsApp groups can be very helpful for sharing general information such as reminders about school events or practical arrangements. However, they are not an appropriate forum for discussing individual children, incidents, or concerns relating to pupils or staff.

For reasons of privacy and safeguarding, children should not be named or discussed within these groups. Even well-intentioned comments can sometimes lead to misunderstandings or cause unintended upset.

If you have any concerns about your child or any matter relating to school, please contact the school directly so that we can address the issue appropriately and confidentially. We appreciate your cooperation in helping to maintain a respectful and supportive school community.

Kind regards,

Natalie Aldridge
