Re: Year 5 Charity Event

Dear Parents/Carers,

In Summer term two we are holding a 5K charity run to raise funds for Stone Bridge farm.

Stone Bridge Farm is a community-based charity that help people who have economic hardships. They ensure all people are included to combat social isolation and teach transferable skills like farming and sustainability. Annually, they have more than 1200 children learning farm skills and each day 150 volunteers including those with hidden disabilities contribute to this compassionate charity.

On Monday 22nd June, we will host this 5K run and hope that you will join us to cheer on and celebrate the year 5 children. Parents are welcome to come along at 1.30PM to watch the final 5 laps of the 5K run.

After all children have accomplished the run, we will celebrate by enjoying fresh fruit ice lollies.

All children should arrive at school in their PE kit and will be given their specially designed t-shirt and number on the day.

We look forward to seeing you at the 5K event.

Kind regards,

Nataniel Nycz
Year 5 Charity Ambassador
