

SOUTH WILFORD

Endowed C of E Primary School

8th May 2026

Good morning,

Cairo Class

As we move through the summer term, we are continuing to focus on developing the children's independence in nursery, helping them prepare for their next steps. Recently, this has included practising putting on their own coats and shoes.

Next week, we will be introducing a new independence skill: **self-serving during snack time**. The children will have the opportunity to pour their own milk or water into a small cup. As with any new skill, we expect there may be a few spills along the way — it's all part of the learning process.

To help us be prepared, we kindly ask that **each child brings an extra set of clothes** to leave at school for the week, just in case. Please also continue to send your child in with their **own water bottle**, which they will use throughout the rest of the day.

Thank you for your support as we help the children grow in confidence and independence.

If you have any questions, please let one of the nursery team know.

Kind regards,

Mrs Hallgren and Mrs Dean
