HARVEST FESTIVAL

Harvest Festival is drawing close, and this year we have chosen to collect donations for the Meadows Food Bank. We will put the trolleys outside reception as usual.

If you are able to help, we would be grateful for:

Non- perishable items e.g. pasta, rice, baked beans, tuna, tinned foods, cereals, soups, pasta sauces, curry sauces, sugar, tea bags, coffee, crisps, cooking oil etc.

Household items e.g. soap, washing up liquid, toilet rolls, deodorant, shampoo etc.

We will be celebrating Harvest at school this year and will pass on all donations to the Meadows Food Bank at the end of October.

Menu Change **Thursday 2nd October**

There will be a change to the menu on Thursday 2nd October. Unfortunately, due to technical issues, we haven't been able to make these changes on Evolve but if your child would like the meat option, please select the meat option currently displayed on Evolve. If your child can't eat beef or needs the vegetarian option, please choose the veggie option currently displayed on Evolve.

The Eco-Spot

Our SOLO campaign (Screen Off/Lights Off) is well underway with each class now displaying an amazing poster designed by Riley, our youngest Eco Team member. The children are really embracing this and are keen to remind anyone who forgets!

We have been busy in the staff room collecting and recycling thin plastics such as bread bags and crisp packets with the aim to spread this across school.

Look out for a collection point soon by reception.

Thank you to those of you who have sent messages about the sustainability things you are doing at home; we can all make a difference when we work together.

Attendance Update

Last week, Havana Class had the highest attendance with another unbeatable 100%. Well done! This is the third week in a row that they've achieved 100% and each child in the class has received a special prize!

Here's what some of the children from this champion class had to say:

"Sometimes, I feel a bit poorly in the morning, but by the time I've said hi to my friends and started school, I always feel better."

"I know I'm not always going to feel completely well, but I don't want to miss out on fun and fall behind with learning."

"Some illnesses make it impossible to come to school, but these don't happen more than a few times a year."

Remember, Calpol can be administered in the office if necessary. Adaptations to the school day can also be discussed with class teachers and Mr Jolliffe to prevent children from missing school and missing out.

Miss school... MISS OUT

Coming to school when you are a bit under the weather

Feeling a little sniffly? Don't worry, your child can still learn!

Most mild illnesses like colds and coughs can be managed at school. Keeping your child home unnecessarily can disrupt their learning and social development.

If you're unsure, consult your local pharmacy, or your child's doctor for advice. Let's prioritise their education and well-being together!
