The Eco-Spot

Welcome to the Eco-Spot!

Here you will find updates on our sustainability projects, upcoming events and news. Here at South Wilford, we believe in caring for our environment and our community. We believe in not only teaching children about caring for the world we live in but living our values too.

This week we have started our SOLO campaign Screens Off, Lights Off, meaning that every time we leave our classrooms empty, we turn off the electric items we are not using. The children have been amazing at this, some even telling us they are doing the same at home.

Look out for future events such as Community litter, pre loved clothes/toy sale and news from our amazing Eco Team including our new members from years one and two.

It's great to have you on board!

Attendance Update

A huge thank you and well done to all involved for such a strong start to the year; your children have attended almost 99% of sessions so far!

A reminder that we must follow the guidance from the, DfE which contains strict rules for unauthorised absences. The document can be viewed [here](#). Please take the time to read it and consider the higher fines, which are now in place, before booking a holiday during term time. There are 13 weeks in the year for you to take holidays without a fine.

Reminders

Car Park

Please be aware that the school car park is for staff only.

Parents and carers should not be using the car park at any point during the school day and this extends to those families dropping off at breakfast and after school clubs.

As we are at the start of a new academic year, we want to ask our new parents (and remind our existing parents) to ensure they are parking safely and considerably within the village. Please do not pull onto the slip road or block the yellow zig zag lines outside the front of school. Please be mindful of smaller children, bikes and scooters etc at the busy start and end of the day.

We are grateful for your continued support with managing the parking situation.
